PROFILE

Dedicated young professional, currently studying towards Computer Science, with excellent grades and demonstrated high levels of motivation, work ethic and teamwork to achieve my goal. Excellent interpersonal, communication abilities and possess a range of technical skills. Enjoys being part of a team, as well as managing, motivating and training a productive team, and thrives in high pressure and challenging working environments.

EDUCATION

Edexcel IGCSE
Islamia English school, UAE
2012 - 2019

Edexcel A levels
Al Nahda National School, UAE
2019 - 2021

Bachelor of Computer Science and Engineering
BRAC University, Bangladesh
2022- present

EXPERIENCE

Salesman (June 2020 – July 2020)
Sikandar Aziz L.L.C, Abu Dhabi, UAE
My role was to advertise company's products to our clients and explain the features and benefits of the product. I equipped effective communication skills, time management and customer service skills.

Programming Competition Participations (2023)
SRBD Coding Contest 2023, CS Spectrum: Code Crash 2023
Participations in these competitions highly improved my problem-solving abilities, teamworking skills and time management

Project Associate (2024-)
Social Impact Lab, BRAC University
My role here is to take initiative to plan projects addressing critical social and environmental challenges in Bangladesh. Working here boosts my leadership and communication abilities.
